

# GUIDE TO STOCKHOLM

Welcome to Stockholm, we hope you enjoy your time here. Although, you can find sufficient information on the [ERPW 2019 website](#), we have put together a few helpful tips you might use during your stay in Stockholm.

## TRAVEL

On arrival you could take a bus [Flygbussana](#) from any of the three airports Arlanda, Bromma and Skavsta. You can buy bus tickets online or on arrival at ticket machines at the airport. If you are arriving at Arlanda airport, you could also take the train [Arlanda express](#), it is faster (less than 20 minutes) but more expensive. Travel by bus or train will bring you to Stockholm central. At Stockholm central, you can walk to T-

centralen (the center of the underground metro train lines). In case you get lost, you could make inquiries at the information desk at Stockholm

central station. To travel within Stockholm, you have to buy [SL access cards](#). There are single use access cards which permit either a single journey, 24hrs access or 72hrs access or a 1-week pass to the underground trains. You can also purchase a permanent access card which costs 20 SEK and can be reloaded anytime you wish to travel. SL access cards permits travel by bus, metro, light rail and the tram. Please visit <https://sl.se/en/fares--tickets/>, to determine which fare package suits you. You can also buy tickets via the SL smart phone app. Please download the app from <https://sl.se/en/fares--tickets/>.

## STOCKHOLM CITY

The underground metro train lines are called “Tunnelbanan” and they connect the different districts in Stockholm city. You can get on the Tunnelbana at stops marked with giant blue T symbol. A detailed map of the metro lines can be downloaded from the [ERPW 2019 website](#). To arrive at Aula Magna (Frescativägen 6, 114 18 Stockholm) from T-centralen you should take train 14 on the red line bound for Mörby centrum, and you get off at “Universitetet (Tunnelbanan)”. If you wish to travel by bus, bus **50** journeys from the city center (centralen) to Stockholm Universitetet and you should get off at either Universitet norra or Universitet södra.
